January 19, 2012

We are happy to share some updates with you on the merger and other exciting events coming soon with TDECU.

Special Meetings

We invite you and your family to attend the **TDECU Annual Meeting** scheduled for Thursday, January 26th, at the Lake Jackson Civic Center located at 333 Highway 332 East. Registration begins at 6:00 p.m. for great prizes, and the meeting starts at 7:00 p.m. Join us after the meeting to enjoy some pie and meet the TDECU board and employees along with your fellow members.

You will also be invited to a TDECU gathering in the Houston area in March to share a meal, hear our story, and get to know each other. We will send more information next month with details.

Conversion Update

The TDECU merger team is on track for a smooth conversion for Bluebonnet Credit Union on April 1, 2012. At that time, all BCU accounts will become TDECU accounts, and you will be able to do your banking at any TDECU branch location convenient to you. You will be receiving a Welcome Package mid-February highlighting changes you should expect with the conversion and to answer all the questions you may have. If you still have questions after reviewing the package, our member care team will be happy to assist you.

TDECU Product Reminders

As we near the April 1 conversion date for Bluebonnet members, please order a minimum quantity of checks if you are currently running low. We will work with you on ordering new checks in time for the conversion date.

We are happy to announce that the new branch located at 6011 Garth Road opened on Tuesday, January 17th! The Bluebonnet branch next to Target on Garth Road is now closed. We hope you enjoy this new branch which has a drive-up ATM, and convenient drive-thru lanes.

Don't forget that you now have access to over 43,000 surcharge-free ATMs nationwide through the Allpoint[®] ATM network. We hope you are enjoying this convenience!

We will send you more communication in February on the Houston event along with the Welcome Package. As always, feel free to call us at 800.839.1154 should you have any questions. Our best to you and yours for a wonderful 2012!

Respectfully,

Gary Lanier
Vice President, Branch Services
